

SWOT ANALYSIS

Josef Ďarmek

S

- Like to do extra work, even if not paid for it ; “walk the extra mile”
- Know ways to separate from others in terms of work, can do tasks more creatively

W

- Communication: not in czech language, but in english its not that good yet; writting an email for a hour, even while it can take 10 minutes => could do more work instead of the mail

Kind of perfectionist

- Easily get on with people

- Not sure if well organized

O

- Started learning finance (most likely the industry I'll work in) at relatively young age
=> “competitive advantage”
- Trying to learn how to network more effectively, can see some progress

T

- Can't pass work on others -> think I can do it all by myself -> can cause time delays, worse results..
- Don't know if i worked enough or not, often because the task I'm working on are long-term, so the results are not immediately
